

Stay Connected & Healthy with CareSignal!

How Does CareSignal Work?

- CareSignal is tailored to your preferences and convenience: it does not require downloads, WiFi, or logins and works with all major cellular carriers.
- You can expect to receive automated calls or texts 2-3 times per week. Respond to the questions in the message.
- Text "STOP" or press * on the dial pad any time if you want to opt out.

Want to Learn More?

This service is not intended to replace any communications you already have with your care team and **is not intended to replace 911 or emergency services.**

Please call 313-682-9075 for more information or **911 if you're experiencing an emergency.**

A Physician/Health System Partnership

Why Should I Enroll in CareSignal?

- A great way to stay connected with your Beaumont Physician Care Team between doctor appointments.
- Your messages arrive at a time that you choose. It only takes a few minutes each week to respond to messages.
- CareSignal helps you stay healthy from the comfort of your home.
- CareSignal is a free service.

How Do I Enroll?

- In the coming weeks, you will get a phone call or a text message to help you enroll in CareSignal.
- To enroll in CareSignal, simply answer our call or reply to the text message.
